Best Musical Monthly Published
Sample Copy, 15 Cents; \$1.50 per Annum

Read What We Claim For It

A year's subscription is a volume of Vocal and Instrumental Compositions for the Piano and Cabinet Organ of the choicest variety. At least six or five subjects, listing at Forty Dollars, valuable copyright music appear, that cannot be found in any other magazine.

"THE LIVES OF GREAT MUSICIANS" will be instructive, entertaining and inspiring.

Each number always contains our latest pieces, and we are very careful to select such music that pleases the average musical ear, and some of the easiest and medium grades, so that the beginner in music can derive as much pleasure and benefit as the more advanced player.

Our Mr. Phil B. Perry selects the music for teaching purposes. Being a pupil of Leschetizky, a graduate of Kullak's Conservatory, Berlin, Germany, and a successful teacher, he knows the requirements of teachers far better than the publishers of other magazines who have not enjoyed his unusual advantages.

Our "Premium List" which embraces most liberal inducements for those who wish to act as agents, will be mailed free to any address upon application.

GENTLEMEN: Enclosed find my renewal subscription to Perry's Musical Magazine. And I do not quite understand if I am to get the music listed on the other side of this sheet free with my renewal, so if not, simply don't send it, as the Magazine is worth more to me than you ask for it without giving any extra premium.

Yours respectfully,
Mr. F. B. S.; Maryland

The Latest and Best of All Methods For The Pianoforte!

BUTLER'S CORRECT METHOD FOR THE PIANO

Contains Over 250 Pages, Full Sheet Music Size

Volume 1 for Beginners

Volume 2 Medium

Volume 3 for More Advanced Players

Volume 4 Difficult

Volume 5 a Grade More Difficult

PRICE OF EACH VOLUME, \$1.00

The well-known composer and teacher, M. W. BUTLER, has adopted in his method the best lessons of the old Masters, such as Czerny, Haydn, Beethoven, Leschetizky etc. together with his own modern ideas as to the proper method of teaching, making this instructor for the pianoforte what we claim—an absolutely correct one.

We want every teacher of the piano to examine the work thoroughly and will be pleased to send a complete copy of either Volume 1, 2, 3, 4 or 5 to any address postpaid upon receipt of \$1.00. We hope to receive your order for at least one of the volumes, for we are satisfied you will in the future adopt it in your classes in preference to all other methods or studies.

Address the publishers.

The celebrated composer, J. OWEN LONG, writes:
"I am very fond of the BUTLER METHOD. My pupils are doing remarkably well, away ahead of those using other methods. It sure is a pleasing comprehensive course for teachers and students"
